for happy lively little people

2024 - 2025

Because we all need a sprinkling of fun

Welcome to our catalogue!

With over 40 years' experience of specialising in pre-school play, we are delighted to be extending our range of premium developmental toys to include new categories to challenge and satisfy the eager and active minds of children from birth through to pre-teens.

Our new brand, **Buki France** offers an extensive range of items that support STEAM development with art & craft kits alongside science toys and tools to inspire exploration of our natural world.

Inside these pages you will also find fantastic new innovations from well-loved brands, **Halilit** children's musical instruments, **Taf Toys** and **Edushape**.

We are also thrilled to be introducing the award-winning Australian brand **Jellystone Designs**. We hope that you love these tactile, soft and safe sensory toys and teethingers as much as we do!

This catalogue gives a glimpse of highlights from our ranges, please visit our website to see more.
